

# **Team New Era Softball Tryouts**

Team New Era Softball is the Premier Travel Softball Organization in WNY and one of the tops in the Northeast. If your daughter has the desire to play softball in college, this is where she should play. Our teams compete in the top tournaments in the area. All teams compete and do very well in the various National tournaments they attend each year. Our older 14U and both 16U teams will attend several College Showcase tournaments. We will also help your daughter in the college search process.

What does it cost to play for Team New Era. The average team fee will be approx. 800.00. That includes tournaments, league fees, insurance, uniforms, and a full year membership to New Era Park. The membership includes a 2-hour indoor team practice from October thru April (1 hour on the turf field and 1 hour in the batting cages) as well unlimited individual access to the cages, the turf field, and member clinics. The only other cost is for equipment (helmet, bag, spikes, etc), which is a bit more for first year players but stuff they need wherever they play. However, our teams pay a discounted price for all equipment.

## **2011 -Teams**
